Section VIII Legitimate functions cover midwifery services only to normal pregnant women and nor mal newborn infants. • Considerate • Cooperative • Empathic • Respectful of different socio- economic background and cultural differences • Sensitive Compassion and Respect for Others 24. • Describes a certain type of behavior in the workplace • Based on our values and understanding of our professional roles • Evidenced in our behavior 4. Patient's • Trustworthy • Competent • Empathetic • Respectful • Caring Co-workers • Trustworthy • Competent • Supportive • Respectful • Accountable How professionalism is judged? • Maintains personal health and hygiene • Cares for self • Seeks advice, counsel and tutoring when needed • Avoids harmful behaviors Self-Care and Self-Worth 28. 15. Section V Practice on a scientific basis Desist performance of procedure which is of doubtful or questionable propriety 35. To calculate the overall star rating and percentage breakdown by star, we donâ€™t use a simple average. They protect life, property, and public welfare. • Displays honesty and forthrightness • Adheres to ethical standards • Truthful in all communications • Maintains confidentiality • Reports inappropriate behavior by colleagues Integrity and Trustworthiness 25. Oducado MAN, MAEd, RN RM Thank you! Integrity from the Latin adjective integer which means "whole or complete" In ethics, integrity is regarded as the quality of having an intuitive sense of honesty and truthfulness in regard to the motivations for one's actions Objectivity the state or quality of being objective Objective of, or relating to a goal or aim undistorted by emotion or personal bias Professional lapses Disruptive behaviors - behaviors or behaviors that undermine the culture of safety Teamwork refers to the cooperative effort by the members of a group or team to achieve a common goal. All professionals shall treat their colleagues with respect and shall strive to be fair in their dealings with one another. Civic responsibility refers to the actions of a good citizen in which the individual acts in a manner designed to promote the common good. 41. Learn more how customers reviews work on Amazon 1. You also should consider whether the job is right for your personality. The Ohio Board of Nursing, for example, may not have the same education requirements or licensure exam process as the California Board of Nursing.Step 5: Apply for JobsAs with any other career, nurses typically need to go through a job application process to actually practice their profession. • Works well with others • Maintains composure in difficult circumstances • Inspires trust • Avoids inappropriate remarks • Adheres to dress codes Teamwork & Professional Demeanor 26. • Completes assigned tasks • Sets and achieves realistic goals • Follow policies • Responds promptly when called • Places patients needs firsts Responsibility and Sense of Duty 23. 16. Professional Competence Professional competence refers to the capability to perform the duties of one's profession. Section VII Fees should be commensurate with the services performed and, if need be, with the patient's ability to pay Highly improper to receive a commission for referral of patients 37. "We judged ourselves by our motives whereas others judged us by our behaviors" AA saying 45. Social and Civic Responsibility Social responsibility the obligation to take action that protects and improves the welfare of society as a whole as well as organizational interests. Each profession shall nurture and support one organization for all its members. Nurses typically need to be patient with difficult people, calm in a crisis and willing to work long hours.Step 2: Decide What Kind of Nurse You Want to BeThere are several different nursing profession roles, ranging from certified nursing assistants (CNAs) (who require the least education) to highly specialized nurse practitioners or registered nurses (RNs) (who often have formal degrees and may even obtain graduate-level educations in their fields). Every professional shall remain open to the challenges of a more dynamic and interconnected world. Section VI Not compromise her services which would impair the quality of patients care. References Can, Rai. Section X Ideals of service call for a dedication not only individual but also to the community 40. Professionalism in the workplace. Ryan Michael F. Section XI Participate in research activities or in any effort of the midwifery profession to improve midwifery training and practice Take part in establishing and maintaining conditions of employment conducive to high-quality maternity and infant care. 3. Section III Practice on a scientific basis Desist performance of procedure which is of doubtful or questionable propriety 32. Section IV Observe the law, to uphold the honor and dignity of her profession, and to adhere to professional discipline To bring to the attention of the proper authority, through legitimate procedures, the illegal or unethical conduct of any co-member of the midwifery profession 34. may not likewise indicate a remedy for resolving conflict that may stem from changing social principles, goals and standards 43. The study helped to define professionalism and provide numbers to analyze the current state of professionalism in the American workforce. Beyond simply choosing what level of nursing education is right for you, it might also be a good idea to consider what area of nursing is most appealing (whether it's assisting in surgery or working in a pediatrician's office) before you pursue education.Step 3: Get EducatedEach level of nursing has its own educational requirements. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. Professional judged through: • Our Image • Our Communication • Our Competence • Our Demeanor 6. Solidarity and Teamwork Together Everyone Achieves More Solidarity refers to the ties in a society - "social relations" - that bind people to one another. You may be able to work as a CNA with just a certificate, while RNs and nurse practitioners may need bachelor's degrees or higher. It also analyzed reviews to verify trustworthiness. Professionals shall perform their responsibilities with the highest sense of integrity, imbued with nationalism and spiritual values, be free of conflicts of interests, without prejudice and shall at all times maintain objectivity. Retrieved from <http://www.ecu.edu/cs-dhs/medicaleducation/profMedicalEduc ation.ctm> 46. Equality of All Professionals All Professions are EQUAL! Everyone shall treat other professionals with respect and fairness. Professionals shall undertake only those professional services that they can reasonably deliver with professional competence. Code of good governance. • Punctual • Seeks additional knowledge and skills • Seeks feedback • Is self-aware of areas for improvement Scholarship and Commitment to Learning 21. To provide professional services, a certain level of competence is necessary. • Flexible • Accepts personal responsibility for mistakes • Asks for help when needed • Discloses medical error when appropriate Accountability and Initiative 22. Some nurses who are on track to obtain high-level credentials may work as certified nursing assistants while they're in school to gain practical experience and learn more about the field.Step 4: Get LicensedNurses typically need an official license to get a job and practice nursing. Section IX Not to reveal any information given by her patient Unless under the law, she is required to testify on such information to serve the ends of justice 39. 17. 36. Integrity and Objectivity 11. Professionals shall always carry out their professional duties with due consideration of the broader interest of the public. 12. 1. 7. PROFESSIONAL ADJUSTMENTS Midwives Ryan Michael F. You may need to apply for more than one job before you find your place in nursing, and it may be necessary for you to emphasize important skills or experiences in addition to your education in order to succeed. Such inadequacy of the code ultimately leaves the midwife to herself in deciding what moral principles should govern her course of action when faced with ethical problems in the practice of her profession It is incumbent upon her to observe at all tim es the ideals of her profession and to adhere faithfully to the well-recognized unwritten ethical and professional rules generally accepted by the midwifery profession 44. Most nurses need at least two years of formal education before they're qualified, and that education usually involves a lot of highly technical scientific topics. Section I Primary objective: within the scope of their legitimate functions Patients, regardless of status, deserve respect Render to each dedicated and selfless service 30. 2. If you're interested in pursuing a trusted, compassionate career in health care, you might be wondering "what do I need to become a nurse?" Though not necessarily as time consuming as becoming a doctor, becoming a nurse does require specific education and careful planning.Step 1: Get a Reality CheckNursing is a highly respected profession, but it isn't an easy path to take. If you're looking for a quick way to get into a job, nursing probably isn't right for you. 4. Section XII Work with interest and concern, together with other members of the health team 42. 6. Licensure requirements usually vary by state. Crossing Professional Boundaries • Non-therapeutic relationships • Inappropriate communication • Inappropriate self-disclosure • Exploitation - money, gifts • Breaches of confidentiality 19. MORE FROM QUESTIONSANSWERED.NET Customer Reviews, including Product Star Ratings help customers to learn more about the product and decide whether it is the right product for them. CODE OF GOOD GOVERNANCE the professions in the Philippines This code is adopted by the PRC and the Professional Regulatory Boards to cover an environment of good governance in which all Filipino professionals shall perform their tasks. Retrieved from ernance-final Thornby, R. Spectrum of Disruptive Behaviors 20. Should seek consultation or refer to a qualified obstetrician or physician 38. Oducado. Service to Others 10. Professionalism in the Workplace Study The 2012 study surveyed a national sample of HR professionals, upper class undergraduates, and managers or supervisors. 3. Section IV Contribute to the safeguarding of public health Limitations: may not point out how a midwife may resolve or reconcile a conflict between personal and professional views. Section II Continually improve knowledge & skill Share with her co-practitioners any valuable practical knowledge 31. 13. MAN, MAEd, RN, RM 4.10.2015 West town Hotel, Iloilo 2. Philippine Code of Ethics For Midwives Principles and rules of conduct Patients Co-practitioners Members of allied professions Public 29.
